

3-WAY CRACK-UP — Torrance Police records show a crash involving three cars at 12:06 p.m. Thursday on Sepulveda Blvd., west of Crenshaw. Officer Ray Ouellette's report places cause of the collision on Laura Clarke Ives, 74, of Wilmington, who reportedly hit Gerald Neil, 15, of Fuller-

ton, as he was making a left turn. Neil's car was sent into a third car driven by Helen Marie DeLeon. Minor injuries were sustained by Miss Ives and John Hal, 14, who was a passenger in Neil's car. Both will seek medical aid from their own doctors, according to police reports.

Drama Students Present 'Once Upon a Clothesline'

Turning from heavy drama to children's theater for their second production of the summer season, El Camino College drama students presented "Once Upon a Clothesline" at 7:30 Friday night in the Campus Theater.

"One Upon a Clothesline" is the second of the summer series of three plays staged under the general direction of Instructor Howard M. Banks. Applauded for their convincing performances in the initial play thespians Max Huber and Hal Bokar led a cast of 18 men in a dramatic portrayal of Herman Wouk's "Caine Mutiny Court Martial."

"TEA HOUSE"
The third production, scheduled for July 27-28, will feature "Tea House of the August Moon." Tickets for this production are now being reserved in the student store at \$1 each.

"Once Upon a Clothesline" was under the direction of drama student David Pritchard, assisted by Laura Lee Lavelle. The story centers upon a boy and girl clothespin, Pinno and Pinnette. During a storm Pinette topples from a clothesline, falling into the lair of Mrs. Spider. Pinno comes to his friend's aid and with the assistance of other characters in the cast.

"HILARIOUS"
"Preparations for Pinnette's rescue from Mrs. Spider are hilarious, and the actual accomplishment of the rescue makes for an exciting and imaginative theater experience," Banks

comments. Taking the role of Pinnette was Susan Michael, who received the El Camino Thespian Award for the Best Actress of 1961-62. She has appeared in the Campus Theater previously in "The Madwoman of Chaillot," "Cinderella," and in one-act productions.

LEADING ROLE
Brian McKernan, who appeared in the ECC production of "Cinderella" with Miss Michaels, appeared with her in the leading role of Pinno. He is an accomplished figure skater, having won the Arizona State Junior Men's Championship in 1959-60. He appeared in the 1958-59 Ice Revue of the Skating Club in Phoenix.

Playing the parts of two birds were Dove Lansburg, in her first El Camino appearance, and Ann Estrin, a graduate of Leuzinger High School, who played in three ECC summer plays last year.

The villainous Mrs. Spider was played by Corinne Williams.

OTHER ROLES
Other roles were taken by Mary Gillam, Mrs. Ant; Dennis Parker, Mr. Cricket; Tony Puckett, Mr. Grasshopper; Paul Wilkening, Dr. Beetle; Adalaide Evans, Junio Ant, and Pat Roney, Joy Hewitt and Barbara Gaiennie as the grasshoppers.

Costumes for the production were designed and executed by Tesse Tinker, assisted by Louise Winkler. Bob Crutchfield has contrived a colorful sound track to provide musical accompaniment for the play.

Space Contract

A \$1.3 million Aeronautics and Space Administration contract for liquid hydrogen handling facilities at Cape Canaveral has been awarded to Union Carbide Corporation.

The special handling equipment will be used at the "Complex 34" launch pads from which NASA's Saturn rockets will be fired. Linde Company, Division of Union Carbide, will be the prime contractor responsible for the design, fabrication, and installation of the equipment on a cost-plus-fixed fee basis.

Saturn, the free world's largest rocket, is scheduled eventually to transport a three-man team around the moon.

SUMMER FUN is accentuated for youngsters of the community who are participating in the current recreational program conducted by the physical education department of El Camino College. Physical education majors conduct activities, open without charge, during morning and afternoon hours. Facilities for supervised recreation for adults are offered each weekday event.

New Librarian Will Preside

Torrance Library Commission, George Kurtz, chairman, has announced the appointment of a new librarian at El Retiro branch, located at 126 Vista del Parque in Hollywood Riviera section of Torrance.

She is Mrs. William M. (Frances) Zinsley, whose enthusiasms range from deer hunting to playing the clarinet.

Mrs. Zinsley comes to El Retiro from UCLA, where she took her bachelor's and master's degree in library science. Her library career began in her home town of Arroyo Grande, where her mother has been branch librarian for 10 years. Frances worked first as a page and later as part-time children's librarian in the San Luis Obispo County system.

RESIDENCE
The Zinsleys live on Morningside Drive in Hermosa Beach. Zinsley, a native of Manhattan Beach, is an engineer with the Space Division of North American in Downey.

In their free time the Zinsleys go in for surf and deep sea fishing, camping and hunting. They are foster parents to two guinea pigs, Gorko and Herbie; Ching, a cat of the alley variety, and an airedale, Andy.

"Everybody in the South Bay knows Andy," Frances declared, who also admitted they do not consider their menagerie complete. They are looking for a New Zealand rabbit and an iguana. Only stipulation: please do not deliver to the library.

Area Leadership In Charity Drive Rated as 'High'

The Harbor Area has the highest percentage of leadership recruitment in the Los Angeles area for the forthcoming Community Chest appeal, according to Fred Mill, Harbor chairman.

Mill, speaking at a special "Campaign Cabinet" meeting in the Palms Restaurant in Torrance, said, however, that this does not mean that local Chest volunteers can relax recruitment of leadership.

"Although it looks good that we have the highest percentage of leadership recruited in the Los Angeles Chest area," Mill said, "we are actually behind in a deadline set weeks ago."

"Our top volunteers have been enrolled, but the supporting leadership is not complete. We still need leaders at this time," Mill said.
